SAN FRANCISCO, CAL., March 13 .-Judge Dunne's court was crowded, all the seats and standing-room being oc cupied when the case of the people against Abraham Ruef, accused of extortion, was called for trial to-day.

The affidavit of Patek is a flat contradiction of the affidavit of Nippert, local representative of an Eastern bonding company that furnished Ruef's \$50,000 bnil, which was declared forfeited after Ruef went into hidding at Trocadero.

In his affidavit Nippert swears that in last September, while he and Judge Dunne and Charles Leonard were spending a vacation in Plumas county, during a conversation Judge Dunne denounced Ruef and Schmitz as grafters.

PURITY PRODUCT

When Cascarets Cas Cathartic were invented 1896, and the formula was perfected after much experi-mental labor by highly scient tific chemists, it was our aim net only to produce a perfect combination of EFFECTIVE CONSTITUENTS, but to

have every ingredient the very best in point of PURITY and QUALITY that could be obtained.

We established a standard of PURITY and QUALITY and MEDICINAL STRENGTH, that has been maintained for all these years, and every Cascaret tablet has been as harmless, pure, gentle and effective as every other one.

The substances that enter into a medicinal formula, to produce the desired effect, to be SAFE and ever TRUSTWORTHY, MUST be clean, fresh, carefully selected and compounded with painstaking supervision.

The eternal vigilance necessary to secure the ingredients of Cascarets in the most PERFECT CONDITION, so as to get the best effect without any danger from intruding substances. has never been relaxed.

What is the result?

There has never been a disappointment, never a complaint. The people of America are today buying over ONE MILLION BOXES a month of Cascarets Candy Cathartic, a recognition of their dependable qualities to do what is claimed for them, as the best medicine FOR THE BOWELS as yet discovered.

Our patrons are all our friends, loyal and more than satisfied of the stead-fast, honest, reliable MERIT of our preparation. It is today the greatest FAMILY MEDICINE in the world. We attribute Cascarets' great success to PURITM, QUALITY and MEDICINAL EFFICIENCY, backed by Truth and Honesty in our dealings.

The Congress of the United States, on June 30, 1906, passed a PURE FOOD AND DRUGS ACT to protect the Health of the People against adulteration, misstatement and careless processes. This law went into effect January 1, 1907, and will help to banish all questionable practices and preparations.

The essence of this law was anticipated by the makers of Cascarets when the first box was made ten years ago, and every precaution was taken to establish Cascarets as the standard, reliable and responsible Bowel medicine for the American People.

We shall continue in our purpose to produce the best product possible, and are proud of the confidence of our friends, a commercial confidence which will never be betrayed. All druggists, 10c, 25c, 50c. Try a little 10c box TODAY.
